

Voluntary Right To Buy Information for Tenants

What is Voluntary Right to Buy?

To support the Government goal of helping people into home ownership they have committed to extend the Right to Buy scheme to housing association tenants. This idea is being tested across the Midlands and bdht is taking part in this pilot.

When will the VRTB pilot start?

The pilot was launched on 16th August 2018

Am I eligible for VRTB?

You could be eligible for a discount under the Voluntary Right to Buy scheme if:

- You are over the age of 18
- You have the Right to Reside in the UK
- You have been a public sector tenant (usually of a council or a housing association) for at least 3 years and have been the tenant of the property that you would like to purchase for at least 1 year
- You are not eligible for the Preserved Right to Buy scheme (if your home was owned by Bromsgrove District Council and was transferred to bdht while you were living in it)
- The property is your only home at the point of sale
- You do not have any current or former rent arrears
- Your home is not due to be demolished or disposed of
- You don't have any outstanding possession orders
- You are not subject to bankruptcy proceedings
- You are not subject to an anti-social behaviour order or notice of intent to seek possession for breach of tenancy conditions
- You don't live in a property contained in a sheltered scheme, extra care scheme, older persons scheme or other supported housing, or that is let under the following tenancies:
 - Rent to Buy
 - Mortgage Rescue
 - Market Rent
 - Starter / One year fixed term probationary
 - Assured Shorthold Periodic (young persons temporary housing)

Full eligibility is set out on the Government website <https://righttobuy.gov.uk>
If you are successful in securing a Unique Reference Number bdht will check your details against all of the criteria to ensure you are eligible.

Is my home eligible for VRTB?

bdht has a policy which excludes certain property types. These properties include:

- Properties developed or purchased via S106 affordable housing contributions
- Properties with grant agreements, nomination agreements or relevant planning restrictions.
- Sheltered housing, older peoples housing, extra care housing or bungalows.

What happens if my property is not eligible for VRTB?

If your property is not eligible to purchase under VRTB because bdht has excluded it, we may still be able to work with you to identify another property which does qualify. This could be with bdht or another landlord in the Midlands. This process is called porting.

How does porting work?

If your property is excluded from VRTB and you decide that you would like to seek an alternative property bdht will help you to register with Home Choice Plus, our housing allocation system. Your eligibility for housing will be assessed in-line with our current allocations policy. Subject to successful assessment this will enable you to bid on properties and for bdht to offer you suitable properties that become available. Should you be unable to join Home Choice Plus, or are unable to locate an alternative property bdht will also assist you in registering for a mutual exchange using HomeSwapper. The property must be size appropriate and within the area that you are currently living. If you find a property and secure finance within 3 months your application will continue, if not, your application will be cancelled.

So, if me and my home are both eligible will the sale go ahead?

Before completing an application form you must first register through the Government's Right to Buy website (www.righttobuy.gov.uk) to receive a unique reference number (URN).

There is a limited amount of funding provided by the Government for this scheme, and so the number of URN's will be restricted. The URN must be included on your application form and bdht will not accept applications without it.

Further details on the allocation of places for the pilot will be published on www.righttobuy.gov.uk when the pilot launches.

Additional Voluntary Right to Buy (VRTB) Information

During the application process you will be required to pay an admin fee of £250.00 which is only refundable if the sale completes. Please pay attention to the timescales for this process as failure to comply may mean that your application is cancelled and you lose your payment.

If you choose to sell or sublet the property within the first 5 years of purchase you will have to repay some or all of the Voluntary Right to Buy discount, according to the terms set out in the sales contract. Further details of this will be advised to you as part of the sales process.

Additional Applicants

You may apply to purchase your home with up to three family members **over the age of 18**. They must be a spouse, civil partner or family member as defined by Housing Act 1985, Section 186 (see appendix 1) and be able to evidence that they have completed at least 12 months residency prior to submitting the application form to bdht. Family members who don't live in the property cannot be included on the application

Once the application has been verified and approved by bdht **you cannot add or remove any applicants** without cancelling the application. If you have already paid the £250.00 fee, this will not be refundable.

The agreement of any tenant who does not want to buy must be obtained before you apply to purchase your home. They should sign Part G of the application form. Their tenancy will end when you buy the property.

Repairs and Maintenance

Once you make the application any improvements or repairs that are due to be carried out will be cancelled except where the work is required by law to keep the property safe and weather-tight. The reason for this is that the valuation is based on the date the application was made and any improvements or repairs after that date would affect the valuation. Any repairs outstanding at the time the purchase is completed will become the responsibility of the purchaser(s).

WARNING - Is someone trying to advise you to buy your home?

If you are considering buying your home, application forms and advice on how to complete them are available from bdht for free.

If you need advice on any aspect of purchasing your home, **contact bdht first**. If you are approached by a person or a company offering to help you buy your home please talk to bdht before signing anything. Some companies have hidden charges which you will end up paying, or you may end up purchasing financial products which you did not want or need.

You should also obtain impartial financial and legal advice. Buying your home is a big decision. It's a good idea to find out if you can afford to purchase and maintain your home before you make an application.

What is the process?

- Visit the www.righttobuy.gov.uk website to register for the pilot and obtain your unique reference number (URN).
- If you are successful in securing a URN please contact bdht to obtain an application form.
- Complete the application form and remember to include your URN. It is a good idea to keep a copy of the completed form. Return the application form to bdht.
- Within four weeks of receipt, we will review your application form and evidence you have provided. We may then ask for further information. Once we are satisfied with the information you have provided we will contact you confirming whether you have the Voluntary Right to Buy and whether your property is available for purchase under our Right to Buy policy. A copy of our policy can be obtained on request.
- If your property is excluded by our policy but you are eligible, we will contact you to discuss your options to port to an alternative property
- If we accept your application and your property is available to buy we will notify you and you will then need to arrange an appointment to bring in documents, pay an application fee for £250 and select a surveyor. You need to arrange this within 10 working days of receiving the acceptance letter. If you do not contact us within this time your application will be cancelled.
- Please note that the application fee is only refundable at the point of completion of the purchase.
- At the appointment you will be asked to select a surveyor to undertake the valuation of your home. We have a list of participating Royal institute of Chartered Surveyors (RICS) qualified surveyors for you to choose from.
- Upon completion of the valuation, we will send you an offer notice. This offer notice will set out:

- The RICS qualified surveyor's valuation of your property*, your discount and the price you'll pay.
- Any structural problems the landlord knows about.
- Any terms and conditions of the purchase.
- For leasehold properties only, your offer notice will also include an estimate of the service charges that you will need to pay over the next 5 years.

*If you are not happy with the valuation you can ask for a second valuation at your own cost from another RICS qualified surveyor from the approved list. You may want to check the costs of a second valuation before proceeding.

- You will then need to decide whether you want to go ahead with VRTB you have up to 4 weeks to accept the offer. It is during this time that you will need to arrange a mortgage or loan if you need one, get a survey, instruct a solicitor and get independent financial and legal advice if you have not already done so. It is important that you understand all costs involved before you accept the offer.
- If you do not respond within 4 weeks with the solicitors details your application may be cancelled.
- Once you are happy with our terms and have arranged payment for your home you can complete the purchase. It is usually during this time that you pay any stamp duty if applicable and finalise and sign all paperwork. Your solicitor should advise you and help with arrangements for these final stages of the process. This conveyancing stage should be completed within 12 weeks.
